

Cross Country Team, Family & Friends,

We will be decorating the boys' and girls' locker rooms on **Monday, September 24th from 6:00-8:00 PM**. Moms, dads, sisters, brothers, boyfriends/girlfriends and team members are welcome to help decorate.

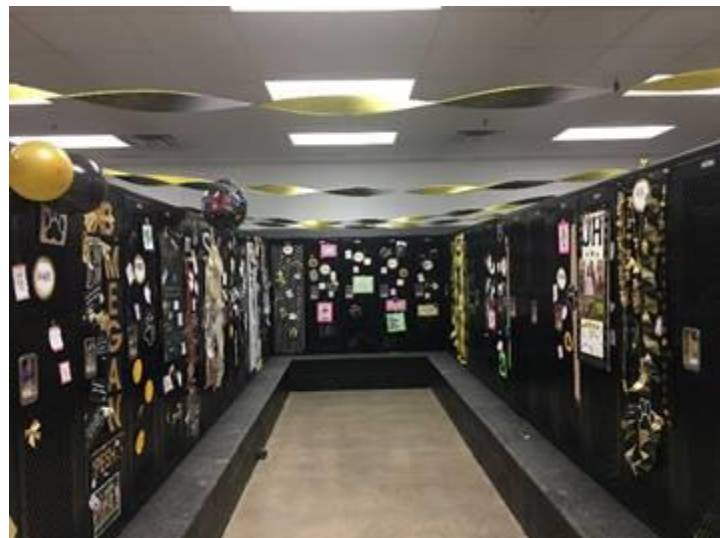

Pictures, posters, streamers and inspirational notes/quotes for your runner are encouraged. Please bring your own supplies. Scissors, tape, string, magnets and hot glue guns are helpful. Tip: having your décor items prepared in advance is very helpful & speeds up the process.

Please try to bring at least one extra item to help ensure that all of the lockers are taken care of. Spirit posters for the team are also welcome to hang in the common areas of the locker room.

Locker dimensions are as follows:

Girl lockers are a metal mesh that allows for items to be tied on, taped, magnets used, etc. The dimensions for usable space are approximately 57" x 15".

Boy lockers are traditional solid metal, so items need to be taped or magnets used. The dimensions for usable space are approximately 34" x 10".

If you have any questions, please contact me or Lori Wilcox at loriwilcox1@att.net
