Each school must provide one worker (can be a parent or coach) to assist with the running off of the meet. These volunteers need to report to the finish line by 7:30 a.m. to receive instructions.

Timing will be handled by Compton Time and Measure. We will have results posted online after the conclusion of each race. Coaches will receive BIBS for the entire circuit at this first meet.

The finish line will be roped off to protect the finish line from interference. Please pay special attention to the boundaries near the finish line.

Entries--Coaches need to submit entries through TX Milesplit and the deadline for entry will be Wednesday, October 14 at 5:00 p.m. Coaches MUST assign athletes a bib number within their range of BIBS they receive.

In the event of bad weather, such as lightning delay, athletes will report to their buses for shelter. Coaches will be notified when it is safe for their athletes to return.

We will utilize a three loop course at Wylie High School. See the attached map. The course will be marked well with paint and pendent flags at significant turns. Coaches and athletes are responsible for knowing the course in advance of the race.

Medals will be handed out to the top 10 finishers in each division at the finish line.

Coaches will receive their bibs with timing chips (200) for the entire circuit at the first meet. It will be the coaches responsibility to keep up with these bibs throughout the entirety of the circuit. Once an athlete competes with a bib, please discard it so it does not interfere with the timing of future meets. In the event a coach loses bibs, that school will need to pay for a replacement bib.

At the conclusion of each meet, teams are responsible for picking up trash in their team area. Please do not leave any trash behind.

Contact Coach Calley Conner at calley.conner@wylieisd.net if you have any questions.
